

HJS Intel core 10th Gen ITX Motherboard

Features :

- * Support Intel Core series (10th generation desktop CPU)
- * Support M.2 2230 WIFI interface (optional onboard WIFI)
- * 1 standard 7Pin SATA female socket and M.2 2280 solid state drive interface
- * The motherboard supports 1 COM port and support RS232 by default
- * Front HDMI + VGA display interface
- * Support one-key restore function, Network wake-up, Scheduled startup and Power-on auto-start function
- * Support gravity sensing function
- *The Panel has an HDMI high-definition interface display output, up to 4K 30Hz display

Specification

Processor	Support Intel Core series 10th Gen desktop I3 I5 I7 CPU
Model	HJS H510-I
Chipset	Intel H510
Type	All-in-one/ mini PC industrial control motherboard
Processor	Support Intel Core series (11th/11th generation desktop I3 I5 I7 CPU)
Memory	Single channel SODIMM DDR4 supports up to 32GB
Storage	1*standard 7Pin SATA female connector and M.2 2280 solid state drive interface
Display Interface	1*HDMI female Type A 3840*2160@60Hz (11th generation CPU)
	1*HDMI pin interface (2x8) supports 3840*2160@60Hz (11th generation CPU)
	1* female standard VGA 1920*1080@60Hz
	1*EDP 2*15Pin2.0mm double row pin 1920*1080@60Hz
	1*LVDS 2*15Pin2.0mm double row pin 1920*1080@60Hz
USB	4*USB3.0 female Type-A
	4 sets of USB2.0 2*5Pin 2.54mm double-row pins
Network	On board RTL8111 Gigabit network card, one standard RJ45 interface 10M/100M/1000M adaptive
	M.2 2230 WIFI interface, supports 2.4G/5G dual-band WIFI, onboard 2.4G/5G WiFi+Bluetooth
Audio	Onboard RTL ALC897 high-definition sound card, audio output (green) and Mic input (pink). 1 front panel pin
	2*5Pin 2.54mm double-row pin, 8 ohm 5W speaker output 1 4Pin 2.0mm white socket
COM Ports	1*2*5Pin 2.54mm double row pin (RS232)
Extensions	M.2 2230 Wifi interface.SATA hard disk interface
Fan	2*4-pin black sockets (1*IO speed control, 1* fixed speed)
Power supply requirements	3.5mm DC-IN socket 12V/120W~19V/120W adapter input/ATX4Pin power socket 12V@10A power supply input
Button	1*GHOST button
Size	170mmX170mm
